

## Principal's Message

### Welcome Back all Tredway Woodsworth Families

I would like to extend a warm Tredway Woodsworth welcome to our students, staff and the community as we commence the 2018-2019 school year! We believe a home and school partnership includes ongoing communication, support and guidance from families and educators. The fall season brings many opportunities for our students including cross country, divisional soccer, as well as intramurals for all students in grades 1-8. We look forward to working together in ensuring our students' success, development and achievement. We are always available to speak to families regarding any questions or concerns. Thank you for your support.
