We look forward to working together in ensuring our students' success, development and achievement.

Parent Council Meeting and Election Monday, October 17th 6:30pm

Our first School Council meeting will be held on Monday, October 17th beginning at 6:30pm.

We will be holding elections for executive positions including chair, vice-chair, secretary and treasurer. Nominations for executive positions will be taken from the floor on the evening of the meeting. Parents/caregivers of in school and virtual school students are eligible to be voting members of their home school council and hold executive positions (e.g. chair/vice-chair etc.). We hope to see everyone there.

Parking Lots

Families visiting the school are asked to park in parking spots. A number of parents/caregivers block cars and fire routes when dropping off or picking up their children. Please do not create your own parking spot. The bus loading zone is a city by-law area directly in front of the main doors, and should strictly be used for bus pick up and drop off. Please do not park in this area. City By-laws restrict parking in these zones.

Safety Reminders

The safety and security of students and staff is a top priority at Tredway Woodsworth. With that in mind, please observe a few reminders. **All visitors/parents need to report to the office.** If it is necessary for students to be released early from class, parents must contact the office and students will be called down. Parents who are dropping off lunches, homework, etc. should bring these items for students to the office. Please do not go directly to classes. Once the morning announcements have begun, students entering are to come to the office for a late slip before going to class.
